NOT FOR PUBLIC- CURRENCIES PEGGED TO TOKEN

Created to interact with Governmental and non-governmental agencies, public and private entities, national and international citizens under contract law, Trust law and uniform bonding codes subject to UCc1 jurisdiction.

MASTER WALLET

A master wallet will be created and held in trust by WMA, World Martial Authority trustee. The face value of the wallet will reflect what debt is owed and need to be extinguished under bankruptcy by every corporate nation.

<https://xchain.io/address/1EAdoNSbmEo9wBgKxjyLNJSwpuwsfAh8kv>

SUB-WALLETS

Sub-wallets on Bitcoin layer 2 Counterparty platform will be offered to all contracting parties to manage assets and communicate through. Each wallet must be registered on the Coin-Daddy platform which

acknowledges and verify assets created and listed in the wallet and on the block-chain platform.

UCc1

UCc1 Jurisdiction (lien/claim) must be placed on every Counterparty wallet address sending and receiving, asset creation and assets sale, open contracts, and closed contracts via NFTs. UCc1 was created to protect all individuals engaged in business

DUNS & BRAD-STREET & THE OTHER CREDIT REPORTING AGENCIES

After filing a perfected lien at the UCc1 office on the assets created or received from contracting parties, you can now place that (lien/claim) on the public records of the credit (rating/reporting) agencies. This will reflect your growth of value in the public marketplace for the financial institution to confirm upon research.

OFFER & ACCEPTANCE

An offer of extinguishment of debt will be sent to the necessary head of states to assist in balancing of their governmental debts. The UNITED STATES DOLLAR will be pegged to the crypto currency **aUSD**. Treasury exemption credits, tax credits and land instrument diversified credits.

ISSUANCE

The crypto currency will be issued and released with every executed smart contract and annexed receipt(s) placed on the Bitcoin-block-chain platform. A record of all transaction will be filed with the corporate UCC office then with the UCc1 court of records to establish a perfected lien. An NFT will be created to extinguish every executed contract on the block-chain.

ADOPTION

The Counterparty crypto currency will adopt other functions including creating sub-assets to accommodate exemption credits from the American Treasury, non-profit organisations, Tax credits from tribal governments, first people, nations not excluding indigenous peoples. The purchase of the **aUSD** will be done with Bitcoin. The **aUSD** will be exchanged at the participating dispensaries, the **aUSD** value will be 1 for 1 with the USD, the Counterparty can also be exchanged for other digital currencies. Traditional banking institutions will participate in the position of hosting custodian accounts for automatic conversions to USD.

ASSURANCE

Every aUSD Counterparty placed on the block-chain will be fully assured by its creators of its credits and fully backed by the entities that originated the credits. A liquid pool to support exit of the Counterparty will be put in place for a period to be held at dispensaries supported by (WMA) World Martial Authority and the US Treasury via US Treasury Direct Account (TDA). The US Treasury Direct Account will be connected to the custodian account at each institution facilitating under contract to perform liquidation.

TAX CREDITS DIVERSIFICATION & INDEGINOUS CDFI

Tax credits sale and tax credits transfer will be orchestrated through (IRS-Ein to Ein settlement), tax credits adoption to XCP will be done via smart contract. Learn more about indigenous people and Indian Tribal Governments at (irs.gov/government-entities).

CDFI CREATION

CDFI Fund was created for the purpose of promoting economic revitalization and community development through investment in and through Community Development Financial Institutions

NON-PROFITS & EXEMPTION CREDITS

Exemption credits adoption of the crypto currency will be issued through the non-profits (and or) trust organisations and settled at the end of year when filing/reporting with the IRS.

EXIT/LIQUIDATION

Conversion of the crypto currency will be in BTC, USDP, USDC, etc and for a limited time USD, along with other corporate currencies from each country. WMA using the Kairos software program will act as the digital clearinghouse/trust for countries settlement on a weekly basis. Each country treasury will act as a corresponding trust to WMA trust. The local banking institutions will be the custodian/intermediary account for the public to liquidate from their Counterparty wallet in their local currency via conversion of face value daily

KAIRÓS SOFT-WARE & INTEGRATION TO THE FINANCIAL SYSTEM

Kairós software was developed under Ms Doris Latorre and the (WMA) World Martial Authority. It was created to work seamlessly with all digital platforms public and private. With the adoption of the Kairos system, all other existing money transfer platforms can be integrated creating a direct portal to the end user, whilst verifying lawful compliance and certification of the transaction.

DECLARATION GOVERNING LAW

UCc1 is fully assured full faith debit credit as De jure sovereign and fully assured Secured Party Creditor and Medallion guarantee issuer. We issue the World Martial Authority voucher with the 8-page Bond court of records which is the institution that bound the public at REGISTERED AGENT, therefore making us the treasurer. Meaning, UCc1 is the oversite for LLC. Bankruptcy regulator/deficit settlements "pursuit to" or per this law or memorandum. As natural born sui juris, sui generis at law, natural law, common law, commercial law et alii laws.
