TORT FEASOR. FAILURE OF OBLIGATIONS and FAILURE OF PERFORMANCE as obligee as Registered agent, and FAILURE OF OBLIGATIONS as transfer agent.

This is an automatic arrest under Uniform Bonding codes and with that, Bank BAI Angola is put on notice for deceit. Bank BAI, and all names mentioned above are complicit. They received the Voucher, which is funds under International Acceptance to credit, with full compliance certification, all confirmations of full responsibilities and LIABILITIES held by the issuer. The bank is deemed as transfer agent only and at zero risk. This is not DEBTOR finance or funds, and their actions of ignorance have been brought to our attention. The CEO, Chairman and Board of the Bank after investigation are complicit in crimes against humanity and stalling the economy of Angola.

Many attempts by the World Martial Authority WMA and King Mhlongo to contact the President of Angola and the finance minister were repeatedly blocked by entities in the offices of the administration who are also complicit. JP Morgan Approved the crediting of the Voucher in January 2025 and to date there has been nothing but evasion. Further investigations prove links to Mafias and Cartels who are blatantly blocking any investments

In our eyes this is FRAUD of the greatest magnitude, with attempted takeover of the Nation via FAKE FIAT FRAUD investments which is a Common law Cheat.

**Every Transaction invokes UCc as they operate USD and are complicit in 31 USC 5118 (d) (2) which is a Felony.**

The International Court of Justice ICJ will receive this order to be passed Internationally via Supreme Courts under the Permanent Editorial Board, Bar Associations and International Courts of Record, who are under and subjected to UCc1-200

UCc is the international oversight via Aboriginal Royal title UCc Dejure Sovereign. The UCc Court, and the WMA is International Private and Commercial Law Enforcement and oversight to the Revenue.

Due Process is not required as you took your chances as an LLC already under UCc Bankruptcy with no Court of Jurisdiction or any Jurisdictional Authority to rule against the order given in the form of a Voucher for the prosperity and welfare of the people of Angola.

GUILTY your behavior is beyond monstrous, and this verdict is a lenient one in comparison to what it should be.

Angola, this is an Order of attention Under Article 9 to Seize all their DEBTOR trading.
